<https://www.linkedin.com/in/loretta-kenney-144754b/>

Loretta Kenney is a Manager at Growth Operators with a strong background in finance, IT, and project management. She has led process improvements across industries, including healthcare, construction, and non-profits. Notably, she transitioned a paper-based payables function to fully remote in under 12 weeks and developed accounting tools for a Minneapolis non-profit. Known for her reliability and collaborative approach, Loretta excels at streamlining operations and delivering practical solutions.
