https://www.linkedin.com/in/nicole-gossman-672b8212/

Nicole has over twelve years' experience in many aspects of the finance and accounting fields. She gained experience starting off in the insurance industry and has been involved in not only the day-to-day accounting preparations but also in banking and sales, property management, and client relations. Nicole has a passion to dig deep into systems functionality, never give up, and to always look for better and new solutions to the same tedious complaints.
