<https://www.linkedin.com/in/monique-gregoire-b26b763/>

Monique has over 16 years of experience in a wide range of finance and accounting functions. Her experience includes financial planning & analysis, reporting, Sarbanes-Oxley auditing, cost accounting, accounts payable, controllership, and leadership. This range of experience allows her to understand root cause problems and identify solutions that increase productivity and financial visibility. She is passionate about partnering with people across all functions of an organization to create process improvements that lead to efficiency and accuracy all while maintaining internal controls.

AREAS OF EXPERTISE

Controllership

Experienced at streamlining the month-end process and creating financial packages to report results.

Financial Planning & Analysis

Experience collaborating with stakeholders across all functions to create budgets and forecasts that drive results.

Process Improvement

In addition to formal Lean Six Sigma training, Monique has a natural desire to seek improvement.
