Jody Hunstad is a Finance Director with over 25 years of experience in technical accounting, financial reporting, tax, and family office services. Jody is passionate about streamlining processes, improving efficiency, and delivering exceptional financial insights that drive business success for Growth Operators clients.

With deep expertise in accounting, tax, and financial reporting, Jody helps clients, senior leaders, and department heads navigate complex financial landscapes. She ensures compliance with evolving laws and regulations while optimizing profitability. Her ability to enhance decision-making, lead financial planning efforts, and implement best-in-class accounting practices makes her an invaluable strategic partner.

Jody has successfully led ERP implementations, corporate reorganizations, consolidations, and M&A activities, helping clients scale efficiently while maintaining strong financial controls and unlocking new opportunities for operational efficiency.
